

CCJRU 2019 Registration Process

Registrations with Rugby Xplorer APP

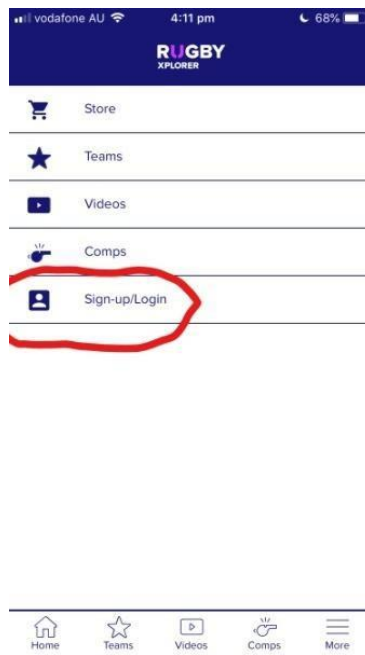

1. On your phone, go to your app store and search for 'Rugby Xplorer'. Download the app & then open.

2. You will need to register yourself, so click on the "More" tab at the bottom.

3. Click on “Sign-Up/Login”

4. Enter your “My Rugby ID” if you remember it. If you’ve forgotten your My Rugby ID you can enter your email address & then follow the prompts to open a new account - the system should find your name & birth date and prompt you to make sure you’re not already registered. If they have found the right person you can continue from there.

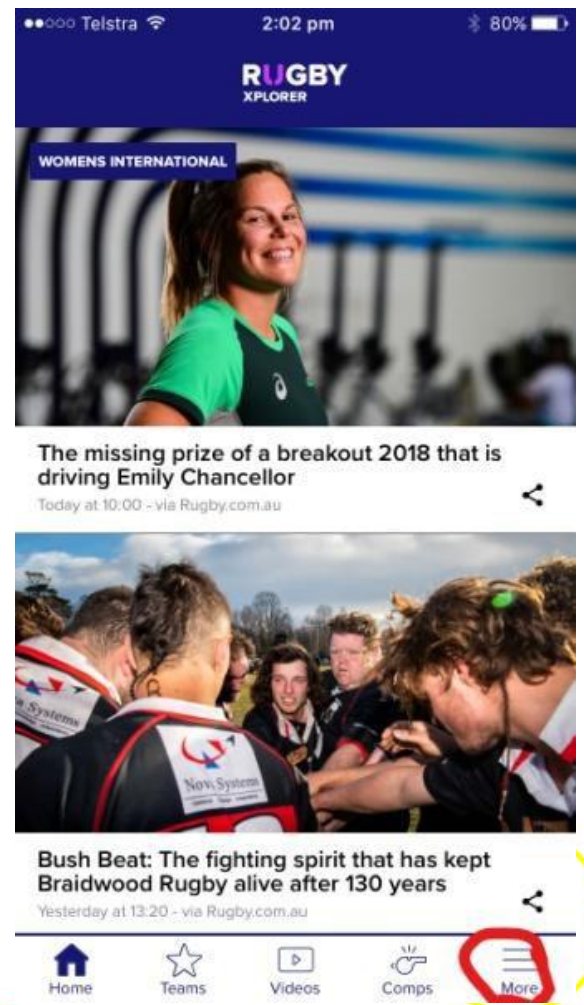

New Players - If you are a new player you can enter your email address & then follow the prompts to “sign me up”. Click on “Continue”

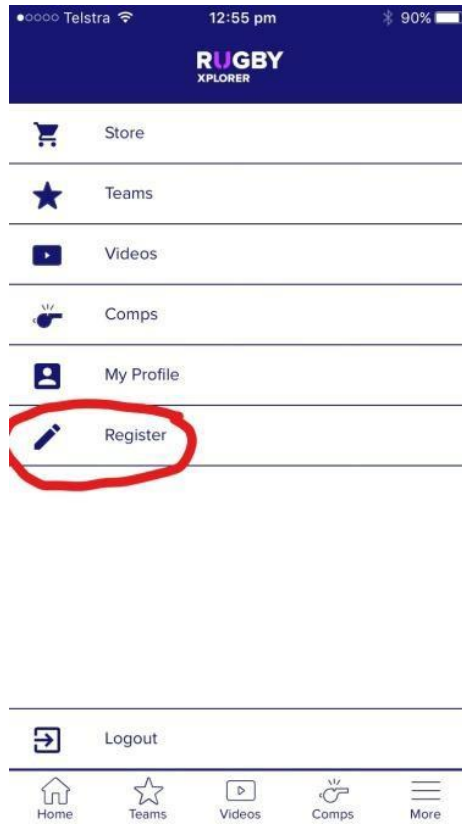

5. Click on “Email Me A Magic Link”. You will then need to go to your email address & follow the links/prompts to set-up a password.

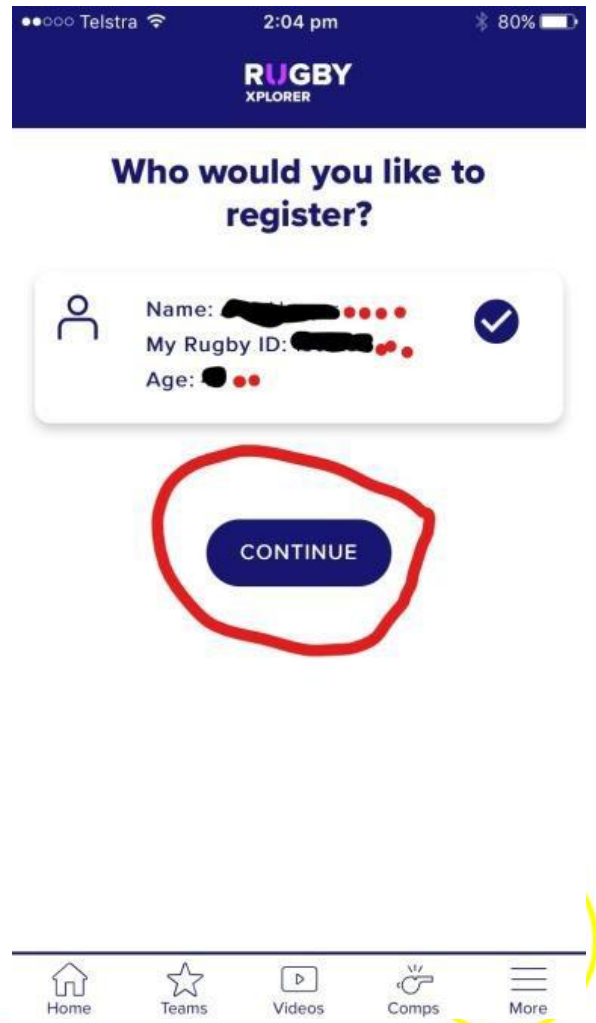

6. Once you have checked your details & set yourself up, click on “More” in the bottom right hand corner.

7. Click on "Register"

8. Make sure it has your name, or if you have a family linked to your account tick the person you want to register, then click on "Continue"

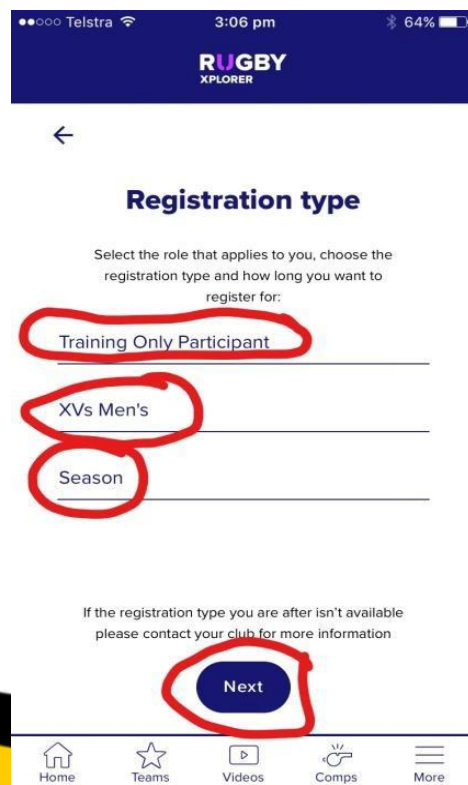

9. Type “your club name”, then click on ‘Search’. It will bring up the option of registering for either our Senior or Junior club. Make sure you tick the correct option, then click on ‘Next’.

10. Select your chosen options

Seniors – choose either **XV Men’s** or **7’s Women’s**, then Player (to pay full cost now) or Training Only (to pay the training only cost of \$20 now) & Season. Then press “Next”.

Juniors – choose either **XVs Juniors** or **7s Junior Girl’s**, then Player (or Coach or Volunteer) & Season. Then press “Next”.

11. From then on it is pretty much straight forward, just fill in what it asks & press “Next” until finished.

****If you are using your Active Kids Rebate Voucher make sure the \$100 is deducted from the total amount payable****

Thanks for registering with us for 2019
